WHITE DESERT
ANTARCTICA

GREATEST DAY

WOLF'S FANG | ANTARCTICA

Come join us on the world's most extraordinary day trip. Leaving Cape Town via private aircraft, we soar over thousands of icebergs as we pass into 24 hours of continuous daylight.

Landing on Wolf's Fang Runway deep in the interior of Antarctica, you will experience a landscape unlike anything else on earth and become one of the few that have ever stepped foot on the Seventh Continent.

EXPLORE ANTARCTICA IN LUXURY

For centuries, the Last Continent has held a special place in our imaginations, yet even now, long after the first explorers reached the South Pole, access to the interior of Antarctica is still only for the very few.

After a five-hour flight from Cape Town, South Africa, we bring you into the heart of Antarctica, a place that is both surreal and majestic. From iridescent ice tunnels to vertical spires of rock, from endless uninhabited horizons to oceans scattered with icebergs, this is a place unlike anywhere else on Planet Earth.

Established 17 years ago by record-breaking polar explorers, White Desert offers you an environmentally-conscious choice for luxury and adventure, sensitive to the incredible environment and animals that surround us.

Come with us on an unforgettable journey. Come explore.

Often tipped as one of the most beautiful cities in the world, Cape Town is home to award-winning vineyards and stunning ocean vistas.

We will host a safety briefing the day before your scheduled flight where our staff will explain all kit requirements, assist with any last-minute preparations and update you on the latest weather forecasts for Antarctica.

TRAVEL

SOUTH AFRICA TO ANTARCTICA

We travel in uncompromising comfort across the mighty Southern Ocean in a private aircraft. During the five-hour flight, the African night turns to the Antarctic day as we soar over thousands of icebergs on our way to one of the most remote locations on Earth.

Destination: Wolf's Fang Runway.

"This was the most incredible trip of my life. The true essence of 'Inspirational Travel' and a dream come true."

Susan Williams, VP Kalalou

WOLF'S FANG RUNWAY

Our runway is overlooked by one of the most magnificent and iconic mountains on the entire continent, named 'Wolf's Fang' by the early Norwegian explorers. After landing on the ancient blue ice, you will be surrounded by massive monoliths of rock that rise vertically from the glacier.

70° 46' 37" S 11° 49' 26" E

YOUR TIME ON THE ICE

After your arrival you will spend 3 hours on the continent. Our UIAGM-qualified mountain guides will lead you on a gentle hike to the base of a nearby mountain where we will host a champagne picnic with views like no other. For the more daring, you'll be guided to the summit to look over the mountains of the Wolf's Fang range.

After an unforgettable time on ice, you will board your return flight to Cape Town.

YOUR SAFETY

For all its beauty, Antarctica can be a challenging environment, with low temperatures, strong winds and high altitudes. For that reason we are absolutely uncompromising about recruiting the best people to look after you and keep you safe. Our team in Antarctica includes a doctor with a full medical kit, our guides are all UIAGM-qualified and all staff are trained in first aid and rescue procedures, satnav communications and Search & Rescue.

Forbes

"Antarctica, the safest place to travel in 2020 and beyond."
May 2020.

ENVIRONMENT

White Desert believes that responsible tourism is a genuine force for good and supports Sir David Attenborough's stance on the transformative power of wilderness travel: *"No one will protect what they don't care about, and no one will care about what they have never experienced".*

Carbon neutral - White Desert was the first aviation operator in Antarctica to be entirely Carbon Neutral, a status the company has held since 2007.

Waste management - We keep waste to a minimum by repackaging all consumables before we bring them to Antarctica, while at the end of the season, all solid waste is shipped back to South Africa for recycling or responsible disposal.

INCLUSIONS / EXCLUSIONS

White Desert is the only company in the world to offer a private jet service to Antarctica. The Gulfstream has space for up to 12 guests and members of the White Desert staff will accompany the flight. Whether you choose to travel as individuals or charter the entire jet for a special occasion, you will be embarking on your Greatest Day!

● White Desert team

ABOUT WHITE DESERT

White Desert was founded in 2005 by husband and wife team Patrick & Robyn Woodhead, who hold four exploration world records between them. When White Desert began, visitors reached Antarctica almost exclusively by cruise ship, limiting them to the Antarctic Peninsula and its coastline. Instead, Patrick and Robyn wanted to introduce guests to the deep interior of the continent while offering them a level of hospitality and comfort more akin to a high-end Africa safari than a rugged polar expedition.

Receiving its operating permit from the British Foreign, Commonwealth & Development Office (FCDO), the company has grown year-on-year and is now comprised of 70 staff of 17 different nationalities during season, providing a unique and highly specialised skillset.

Antarctic travel is the only thing White Desert does. It's our passion, it's our mission and it's in our DNA.
